

How to Block a Patron with Overdues from checking out more books.

Destiny does notify you by Sound that the checked in book was overdue. The Default sound can be changed to a different sound.

- Go to Site configuration

- Go to Circulation

- Scroll to the Circulation Sounds

And you can set up blocking on patron types in Library Policies to Block Future Checkouts until Fines are paid,

- Go to Library Policies.

- Patron Types Sub Tab

- Edit the patron types to Block Checkouts. (Note: These can be overridden by you when checking out)
