

## Clerk Meeting – Powerpoint presentation

1. Hello and Welcome!

2. I support library concerns and library people. I'm a resource for you all.

**Library concerns** I'm working on: elementary library cards, new circ system,, book vendor contract, cataloging, SIRS issues, advocacy, policies

**Library people** help: district training for new librarians, profess. development for librarians, teamwork for all

3. **Personally** – I'm a librarian, a runner, and techie

4. What keeps **me grounded** - my dog, my husband, the outdoors

5. My credentials.

Important:

pass along what you know.

Share what you're good at.

6. I work closely with Julie & Michelle

7. Pics Julie & Michelle

8. My career in education....

9. 2002 – **first librarian job** in St. Vrain

High school, high minority, low budget, empty library

What did I get myself into?

10. 1<sup>st</sup> year – lots of questions – so much to learn!

Inspired by CAL session – Refueling Marian

I started a support group with others in my classes

11. My **personal learning network** started with monthly meetings of fellow librarians. Now includes librarians in Adams12 and many other districts.

12. 2004 – got job at Legacy HS.

Very different from my first job.

13. Have worked with several librarians and two clerks. **Change happens!**

14. Much of my time was spent encouraging students to **(1)READ!**

15. Much of my time was spent encouraging students to **(2)** use reliable, valid resources like databases.

16. I learned I enjoyed using technology a lot and that was my **3<sup>rd</sup> focus.**

Missy and I went through the State Power Libraries program – were a High Achieving Power Library.

17. **Advocacy** – we all need to be leaders in our buildings.

Focus - to be 21<sup>st</sup> century libraries which will improve student achievement

18. What is our **purpose?** If we are not effecting students' ability and desire to learn, why are we there?

19. 21<sup>st</sup> century libraries use online applications :

with teachers and students

to network and share what we know

to engage students

to create new products like screencasts (how-to)

To be a 24/7 presence

Example: Student -created voicethread. **I bet they were ENGAGED!**

20. Advocate. Advertise! Toot your horn! Become part of a network.

21. **library services wiki**-for everyone. ask to join and I'll approve you.

All the News 4 U tab – updated weekly.

The libraries wiki is for TL professional development.
