

We HAVE Been, ARE, and WILL Be GREAT

- Library Services in Adams 12 -

Looking back , what made the Library Services program GREAT!	<ul style="list-style-type: none">• High standards• Collegiality• The people• Collaboration at all levels• Respect for leadership, colleagues and within District as TLs• Expertise – People you could go to for answers and support or who would get the answer• Vision – everyone seemed to have same vision for libraries• Hiring ONLY certified teacher librarians who have completed all their coursework• Meetings where “business” could be discussed and collaboration with all levels was possible• Mentor program we had for brand new TLs to our district• Respect• A library director• Knowledge – we ask questions and get answers• Certified TLs at every site• PRIDE in the program and leadership• Positive feedback from Joe• Meeting with other librarians• Meeting as a high school librarians group• Highway 1`•
Right now what is making the Library Services program GREAT?	<ul style="list-style-type: none">• New trends, 21st century learning.• Professional inspiring TLs in schools• Student Achievement• Daily hard work that TLs put in collaborating with staff• High 21 focus• Energy from Julie & Kim• Power Library standards criteria• TIE• High school librarians working on a continuum

	<ul style="list-style-type: none"> • Advocacy to keep our jobs • Hope in the new director and coordinator • Cohesive group (Thanks to TIE) • New library coordinator • TIE • Library services coordinator to help with consistent delivery of information • Motivated and driven people who have carried the torch during tough times – Library Advisory • We have so much to build on – certified TL in <u>every</u> building • The people • Ideas • Informing and advocating at district level – goals, purpose, etc.. of a quality library program • Leadership who is listening and responding •
In the future what will make the Library Services program GREAT!	<ul style="list-style-type: none"> • Pushing ourselves to be better • Really listening to TLs concerns and acting in timely manner • Constant advocating for library programs, media clerks, certified TLs • Respect by all as an important part of education and schools • Advocacy to keep our jobs! • Support • Experts in 21st century learning – experienced, knowledgeable, still willing to get answers • Recapturing the high standards • Impacting student achievement – especially as learners’ needs change • Money to attend conference like we did at TIE • The people • Access to information will be simplified • Communication • Time to collaborate – grade level • High standards • Doing what’s best for our students • Recapturing the vision • Knowledge – we ask questions and get

	<p>answers</p> <ul style="list-style-type: none">• Teamwork – people willing to be a part of something great and to contribute• Continued professional development
